

INDIVIDUAL
DEVELOPMENT
ACCOUNTS (IDAs)

IDAs are matched savings accounts for Iowans who meet program guidelines. For people with disabilities who have earned income, funds that they save can be matched dollar for dollar up to \$2,000 per person or \$4,000 per household. The savings can be used to save for homeownership, education, business start up expenses, or modified vehicles. IDA Program participants receive free help on learning how to manage money and plan for major purchases.
